

Be rain ready

with Eddie!

Where does the rain go?

Living in Queensland means rain and flooding are part of our lives, especially in the summer months, and it's important we are all ready.

This storm season, be one step ahead and arm yourself with the right information to keep you, your home, family and pets safe and sound.

Check out the Be Rain Ready website, keep an eye out for Eddie on TV, or take part in the conversation on Facebook.

As members of the community, we all have a part to play to be rain ready!
